

Welcome Rob Bussey, your new plan administrator – starting July 1

Terry Barnard has elected to retire. Terry has been the administrator of your retiree benefits since the beginning of the Trust, and he was instrumental in setting up the systems and applications to look after all of our retiree members. Thank you, Terry!

Terry's dedication and efficiency in his role made a big difference, and we wish him all the best in his retirement. Terry and his wife Lesa enjoy travelling and have plans to do plenty of that in their RV motorhome.

Starting July 1, 2021, Rob Bussey will be the new administrator of the Retiree Group Benefits Plan. Rob has been working with Terry and is familiar with the plan and benefits providers, so you can expect a smooth transition. He's looking forward to supporting you and your dependants.

If you have questions or need anything, just let Rob know.

You can reach Rob at 519-587-2000 x225 or admin@8782retireebenefitstrust.ca (the same as before). You can also find contact info for our benefits providers any time at 8782retireebenefitstrust.ca/Contact.

Help us keep you updated

If you have not provided your email to the Trust, please send your name and email to admin@8782RetireeBenefitsTrust.ca so we can contact you with any updates.
